

C•CURE 9000 Access Control Integration

# Boost Your C•CURE 9000 Access Control System with Visual AI

## Create a safer and better access experience in your facility

Easily integrate Oosto's Touchless Access Control with your existing C•CURE 9000\* system and camera infrastructure to utilize Oosto's unique AI technology. The system's intelligent vision capabilities ensure that your facility is safe while easing your building access operations at all times.

## Take your C•CURE 9000 to the Next Level

1

### Rapid and reliable deployment.

Integrate easily, keeping your existing Access Control and hardware infrastructure.

2

### Frictionless recognition.

Unlock doors directly through the AC management system with recognition software that identifies a person instantly.

3

### Personnel import and export.

Import and export all Personnel from C•CURE 9000 to Oosto, including group import.
