

Honeywell Pro-Watch Access Control Integration

Boost your Honeywell Pro-Watch Access Control System with Visual AI

Create a safer and better access experience in your facility

Easily integrate Oosto's Touchless Access Control with your existing Honeywell Pro-Watch* system and camera infrastructure to utilize Oosto's unique AI technology.

The system's intelligent vision capabilities ensure that your facility is safe while easing your building access operations at all times.

Take your Honeywell Pro-Watch to the Next Level

1

Rapid and reliable deployment.

Integrate easily, keeping your existing Access Control and hardware infrastructure.

2

Frictionless recognition.

Unlock doors directly through the AC management system with recognition software that identifies a person instantly.

3

Personnel import and export.

Import and export all Personnel from Honeywell Pro-Watch to Oosto, including group import.
