

Nedap AEOS 2020.1 Access Control Integration

# Boost your Nedap AEOS Access Control System with Visual AI

## Create a safer and better access experience in your facility

Easily integrate Oosto's Touchless Access Control with your existing Nedap AEOS\* system and camera infrastructure to utilize Oosto's unique AI technology. The system's intelligent vision capabilities ensure that your facility is safe while easing your building access operations at all times.

## Take your Nedap AEOS to the Next Level

1

### Rapid and reliable deployment.

Integrate easily, keeping your existing Access Control and hardware infrastructure.

2

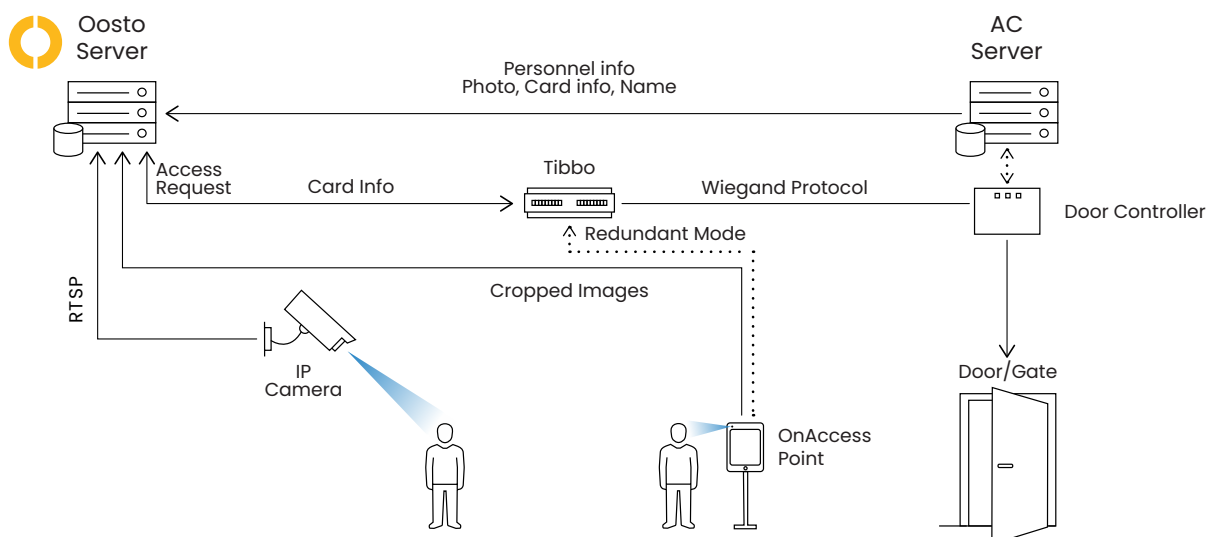

### Frictionless recognition.

Unlock doors using existing Access Control infrastructure with recognition software that identifies a person instantly.

3

### Personnel import and export.

Import all personnel from Nedap AEOS to Oosto.
